

About us

Over the last two decades, Sunsource has grown from a small, one-man operation into a leading provider of fireplaces and BBQs, reflecting our dedication to excellence.

We proudly represent top-tier brands such as **Glen Dimplex**, **Evonic UK**, **Flamerite UK**, **Dansons Group**, **Modern Flames USA**, and **MSD panels**, ensuring that our clients have access to the best products on the market.

Thanks to our exclusive partnerships, we provide a thoughtfully curated selection of premium products, offering an outstanding balance of price and quality, renowned for their superior design, user experience, and aesthetic appeal.

Now operating under **Nje Trading Limited**, Sunsource features a 200sqm demonstration showroom, providing a hands-on space for designers, architects, and end clients to explore the latest innovations in a real ambience lifestyle.

B2B: Architects, Designers & Trade Accounts are Welcome

REMEMBER. NO CHIMNEYS NO FLUES REQUIRED

No complicated

installation works

Simple.

3 Pin Plug connection

ULTRA LOW ENERGY. CONSUMPTION

25 watts per hour on flame only effect mode (a fast mobile phone charger uses 60watts)

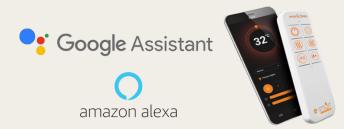

1.5 Kw On Heating (average for most models)
