

PREMIUM ELECTRIC FIRES MADE IN BRITAIN

BUILT ON PEDIGREE

E-FX Fires - environmentally friendly, real in appearance and unbelievably electric.

For the last 25 years, Flamerite Fires has been proudly manufacturing in the UK, supporting local, independent fireplace retailers across Great Britain.

Ever since we were established back in 1999, the business has been built on the principles of innovation and driving engineering excellence forward. Our focus is on championing new and exciting designs whilst ensuring the environmental health of our planet is protected for generations to come.

REASONS TO CHOOSE E-FX

UNPRECEDENTED CUSTOMER SERVICE

Friendly assistance from real people – we're extremely easy to contact by phone or email.

ULTRA RELIABILITY

Our award-winning electric fires and fireplaces are designed, assembled, patented and made in Great Britain to the highest UK and European Standards (BS-EN).

3 YEAR FLAMERITE WARRANTY AS STANDARD *

Every E-FX fire comes with a full Flamerite Fires 3-year parts & labour warranty, extendable to 4 years with access to certain benefits in year 5, guaranteeing the longevity of your fireplace for years to come. * Excludes Ireland & NI.

SHOP OR HOME DIRECT DELIVERY

Everything we sell across the UK is delivered safely on our own transport; we do not use a courier service.

- Powered by AWS consumer supported remote diagnostic back up service
- FULL 3 year warranty * with 4th & 5th year option.
* Excludes Ireland & NI.
- Wireless exterior mood lighting kit
- Eco Compliant technology allows you to independently operate a hidden 1.5 KW thermostatically controlled heating system
- 7-day adaptive dual event timer
- Open window detection
- Easy one hour install with a 3 pin plug

Offering a genuinely user-friendly experience that includes:

- Remote control
- Manual keypad
- Advanced app control
- Compatible with Google Home & Alexa

FLAME E-FX[®]

- AeroFlame[®] technology and class leading flame effect (patents pending)
- Ultra black three-dimensional realism (with a full non-reflective rear screen option)
- Non-reflective UHD front glass option
- Variable flame speeds
- Variable flame animations
- Power up pre-set and user programmable favourite animations

E-FX[®] GLO

- Authentic looking animated log effect with a focalised burn
- Realistic animated smouldering embers
- Shadow enhanced animated downlighting

AEROGLIDE AIRFLOW

A hidden heater with an ultra slim 2cm recess around the fire. The tilting glass mechanism allows for an efficient draw of cool air and a flow of hot air back into the room.
